Washington, 15th, March.

My Dear General: My Dear General:

It gives me p'easure to offer you the p'nee, soon to be vacant, of governor of Washington Territory. I regard this territory as one of the most promising and attractive of our new countries. It will be a state within a few years. It is filling up rapidly with an excellent population. This note, I trust, will be treated as coundance, after the office is it led. Sincerely, & B. B. Hayes.

General Kilnatrick, Washington.
Following is Kilpatrick's raply:
Dickmarows, N. J., March 19 To his Excellency the President:

To his Excellency the President:

Your very kind and complimentary letter, offering me the governorship of Washington Territory, has been received. I thank you not only for the honor you would confer upon me, but for this recognition of my service to the republican party and the nation. All that you say in regard to the importance of Washington Territors and his sear admission into the union of states, is true, yet I cannot accept the position. My lecture engagements extend far into June. When these are incised than comes the gubernsto ial contest in New Jersey and the presidential contest [for national supremacy. I can be of more service to the reput hican party, and consequently to the country, here in New Jersey, and in other states, than filling nerve so well the responsible position to which you would name me.

Very respectfully.

Signed Juneon Kalpatrick.
